

## INSTRUCTIONS

1. Fill in each heart with 3 coats of paint using a small or medium brush. We used Chiffon, Lemon Mist, Just Blue, and Carnation.
2. Use a fan brush to apply 3 coats of Gum Drop to the inside of the mug.
3. Use a detail brush to apply shadows to each heart using the following colors: Pink - Pretty In Pink, Yellow - Sunny Side up, Purple - Ghostly Grape, Blue - Sky Blue.
4. Paint the handle with 3 coats of Light Heather using a small brush.
5. To make the words on the hearts, sketch with a marker first. Then, use a writer bottle to apply the words in Blush.

## TIPS

- Three coats of paint will give you a solid color.
- If it helps to use a water-based marker to draw on the shadows, you can do that. It will disappear in the firing process.
